

## News Release for August 9<sup>th</sup>, 2010

### Volunteers Needed for Town's Centennial

Town of Edson Homecoming and 100<sup>th</sup> Anniversary events begin in a few short months, and then continue until September of 2011. The Centennial Committee will need the helping hands of many friendly and good-hearted volunteers. As Les Halliwell Event Committee Chairman says "Volunteers are the lubrication that makes things run smooth."

Sign up forms and information will be available at the Centennial Committee booth at the Sidewalk Jamboree on Main Street from August 19 to 21<sup>st</sup>.

A wide range of choices means volunteering can be fun and varied for those signing up to help.

Categories include children's activities, parking, security, parade marshalling, ticket handling, hosting, set up and take down, organizing, reception, stage crew, decorating, and ushering. Volunteers can select as many categories as they like. There's even a category for general help if a person is unable to choose any category in particular.

Whether someone has specific skills for any category, or a person just wants to be helpful, the opportunities will be plentiful and diverse.

Individuals also have the opportunity to select which month or months they are available to donate their time and talent.

Volunteers are needed for events planned for this December, as well as events happening from January to September in 2011, and will be contacted well in advance of the dates for the events.

Sign up forms are also available online at [www.edson100.com](http://www.edson100.com), or you can complete a form at the Town Office.

Forms can be dropped off at the Town Office or delivered through the mail.
